

Calling all Village Home Artists and Photographers!

Come be part of the spring showcase of talent Friday, March 9th. This year we are welcoming two dimensional artwork and photographs for display during our annual auction kick off party.

Each person may submit up to three entries of any combination of photos and artwork (display will be space permitting).

Artwork/photographs entered may be donated to Village Home to sell or will be returned to the artist (pick up at the end of the party or at Village afterwards).

Artwork on paper and photographs must be matted on poster board or mat board. They may be framed instead of or along with a mat if the glass is removed and a freestanding tabletop style frame is used.

Please make sure all items submitted are completely dry.

No glass, no glitter, or anything that will fall off or stick out of the artwork, please.

Items will be displayed on tables so framed work is great as long as it doesn't exceed the maximum dimensions and is a freestanding tabletop style frame (with the glass removed).

Outside dimensions on all works are to be a maximum of 16 x 20 (including mat and/or frame size) and a minimum of 4x6.

Submission date is **Tuesday, February 28** at the main campus. Make sure the submission form is attached to the back of your item.

Contact Cheryl Richardson at auction@villagehome.org with questions.

Submission Form (please attach to the back of your entry)

Include the following required information

Artist Name:

Are you donating item to Village to sell? : Yes/No

~~~

Questions below are not required
